Workshop on Cryptographic Hardware and Embedded Systems (CHES)

CHES 2014
Paradise Hotel,
Busan, Korea
Sep. 23 - 26, 2014

Call for Posters

The annual CHES workshop highlights new results in the design and analysis of cryptographic hardware and software implementations. CHES provides a valuable connection between the research and cryptographic engineering communities and attracts participants from industry, academia, and government organizations.

Proposals for a poster presentation at CHES 2014 should be submitted to the Poster Session Chair, Nele Mentens, at `ches2014posterchair@iacr.org`. Submissions on topics of broad interest to the CHES community are welcome and the submission deadline has been extended to June 27, 2014.

Poster submissions must provide the following information as a single-page pdf file:

- Poster Title

- Author list, indicating a contact author (with name, affiliation, phone and email address)

- Abstract (up to 500 words)

Accepted posters must be displayed in standard A0 format and at least one author for each poster must be available for discussion during the Poster Session at CHES 2014.

For more information please contact Nele Mentens (Poster Session Chair) at `ches2014posterchair@iacr.org` or Lejla Batina and Matt Robshaw (Program co-Chairs) at `ches2014programchairs@iacr.org`.
