The tour will take you to South Bohemian region so typical for its unique village folklore architecture and picturesque landscape. Many lakes and water reservoirs have been created in this area in the middle ages and fish-farming does have a long tradition.
Accommodation will be arranged in a hotel situated on the main (and mostly the only) square in the small charming spa town Třeboň, UNESCO Listed Town. The town is surrounded by meadows and forests and a large water reservoir is just 100 metres from the hotel. Are you fond of fishing and relax – just do not miss this tour!

Another full-day trip will take you to another UNESCO Listed Town – Český Krumlov, especially known for the well preserved ancient city centre, a large medieval castle complex and open-air theatre. You will have the opportunity to sample Czech Budvar beer right at the place of its origin - in České Budějovice, South Bohemian metropolis.
